Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

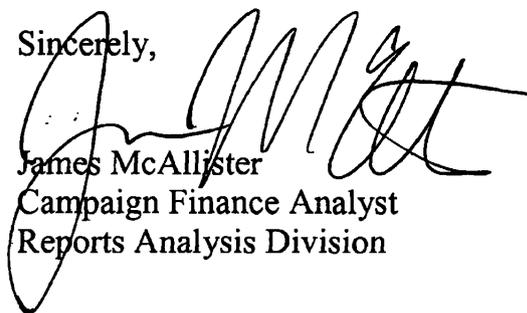

1. Line 11(a)(i) of the Detailed Summary Page of your report discloses a total of \$6,555.00 in individual contributions. The sum of the entries itemized on Schedule A, however, indicates the total to be \$965.00. Please amend your report to clarify the discrepancy.
2. Schedule A supporting Line 11(a)(i) of your report discloses contributions received through what appears to be a payroll deduction plan. Please amend your report to disclose the total amount deducted for the entire reporting period for each individual. 11 CFR §104.8(b) Please refer to the enclosed sample of properly reported payroll deductions.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
